(This is important to develop a plan that both meets your needs and stays within your budget.)

#### Woodland Landscapes Responsibilities

- 1.) Listen to our clients needs and creatively provide solutions and possibilities.
- 2.) Provide a design that incorporates plants and structures that will integrate themselves into the landscape.
- 3.) We are not sales people, you control the amount of money that is spent, however we will consult and guide you to make appropriate decisions and we will not let you make a mistake.
- 4.) We will provide a properly designed outdoor living space that is a natural extension of your house and will increase your property value.

\*\* All information you provide will be held in strict confidence and will only aid in creating a design to fit your family's and your site's unique needs  
\*\* There is no commitment by filling out this form.
